God You're bursting full of mercy  
**VIm IV**  
Slow to anger, swift to save  
**V**  
Deliverer, our rescuer,  
**VIm IV**  
Defeater of the grave  
**V**  
You reached down from the heavens,  
**VIm IV**  
Picked us up and showed us grace  
**V**  
Died a death that You did not deserve  
**VIm IV**  
You suffered for our sake

**IIm VIm IV**  
Jesus what else can we say?  
We won't stop singing

When joy pours down like summer rain,  
**VIm IV**  
Refreshing barren lands.  
**V**  
We will not forget that these gifts came  
**VIm IV**  
Directly from Your hands

**V**  
And when sorrows beat  
Like crashing waves  
**VIm IV**  
Upon our battered souls

We remind ourselves that our God saves

Make gratitude our goal

Circumstance will not dictate  
We'll never stop singing
